

Dear Valued Client,

4th USANA BIENNIAL CONFERENCE: 12 – 15 SEPTEMBER 2019

On behalf of the conference organizing committee for the 4th USANA BIENNIAL CONFERENCE 2019, I extend an invitation for you, to be a sponsor for this exciting event.

The United South African Neonatal Association (USANA) is an organization of nurses and doctors who are involved in neonatal care in South Africa. Our Key objectives include promoting and facilitating collaboration between neonatal services in South Africa and encouraging the use of evidence-based best-care practices. Our first two conferences were attended by well over 180 delegates and we anticipate the attendance to increase to around 220 at the fourth conference.

The conference will take place from 12–15 September 2019 at the Boardwalk Conference Centre, Port Elizabeth, South Africa.

Our theme is “Evidence-based care of the newborn”. The theme focuses on managing the neonate with the future in mind – broadly speaking: preventing morbidity by using evidence-based cost-effective approaches, promoting awareness of outcomes beyond survival, and taking advantage of technology that is most accessible with the greatest returns. Particular interest areas include, but are not limited to aspects of: stabilization at birth; non-invasive ventilation; point-of-care monitoring in PPHN using bedside echocardiography; neonatal nutrition; fluid management; blood pressure management; neonatal encephalopathy; chronic lung disease of prematurity; and necrotizing enterocolitis- prevention, diagnosis and management.

Our confirmed international speakers include Proff Hareh Kirpalani (USA), Barbara Schmidt (USA), Adre du Plessis (USA) and Peter Reynolds (UK).

Should you be interested in exhibiting at this conference or becoming involved in educational grants, please complete the form of intent attached and return to Hanri Lennox on email hlennox@consultus.co.za or fax 021 938 9855 at your earliest convenience.

We look forward to your company’s support for the USANA Conference in September 2019.

Thanking You
Regards

Dr. Radhika Singh
Conference Chair
